

## **AHEAD OF THE PACK**

**MYTHOS** In full flight others can only envy their unrivalled performance. Stability at high speeds, efficiency under braking, excellent drivability, high comfort. Incredibly glued to the road even in the wet, due to the excellent resistance to aquaplaning. A multitude of revolutionary technologies makes the Mythos a perfect tyre for the most demanding drivers. As proven at the Nürburgring 24 hour race: a perfect combination of driving pleasure and safety!
